

Daily School Schedule

In MSO, the student's day will mirror that of their Schoolhouse peers. Students will follow their class schedules and classes. Morning announcements will occur during the first 15 minutes of the day. Official school attendance will be recorded and maintained for each class. For elementary and middle schools, the start and end times are the same in both stages. In senior high schools, however, students in grades 9-12 have the opportunity to start their school day later – at 8:30 AM – while in Stage I since they will all be participating in MSO. When we transition to Stage II, all high school students will revert to a 7:20 AM start.
